LEMON GROVE REVIEW

Vol. 9; No. 45 | LEMON GROVE, CALIFORNIA | THURSDAY, JUNE 27, 1957 | 10¢ Per Copy

The Dimmer VIEW

By MAX GOODWIN

The frustrating thought just occurred to me that more than thirty days have passed since Congressman Utt received a letter from Regional Director of the Post Ofice Department (May 23) assuring him (Congressman Utt) that necessary steps have been taken that the "condition may be corrected." Condition is that miserable sight and physical condition of local post office parking.

As yet undisturbed chuckholes and small whirlwinds of dust greet postal patrons daily. Frustrating thought occurred when I realized that the Post Office Department clamped down every post office across the nation on one day's notice when money ran short. Yet they can't patch our parking strip even after it excites Congressional interest.

I haven't cast a bleary eye on the Department of Motor Vehicles for a long time but that doesn't change my opinion that the department ought to be open on Saturday so we working stiffs wouldn't have to take a day off to take a driver's test. This test must be taken in person and if a journeyman plumber, for example, is docked a day, it costs him $28.40 ($3.55 per hour).

Whether or not the rest of us working stiffs can afford a plumber at $28.40 a day is beside the point. A plumber can't afford to lose 28 bucks and shouldn't have to. The Department of Motor Vehicles is a governmental agency which was ordained to serve the public. This service could be given by staggering the Department's work

OPENING—Sharon Mueller, Miss Lemon Grove, cuts the ribbon on the extension of Skyline Drive in a ceremony to be re-enacted Saturday at 3:30.

New road will permit area residents along Skyline Drive to scoot straight through to Broadway to more easily use Lemon Grove as a shopping center.

With Miss Mueller are Ted Skelley, Boosters Club chairman; Mrs. Barbara Howell, Boosters Club Co-Ordinator and John Englestad, president of the Lemon Grove Jaycees.

Saturday, other dignitaries will take part in the ceremony and the Mt. Miguel Band will supply the music.

Business firms the length and breadth of Lemon Grove are putting their best merchandising foot forward this week, simultaneous with the opening of Skyline extension, to re-emphasize the quality and quantity of local shops.

With Lemon Grove more easily accessible from the residential areas due south, the Boosters, a Chamber of Commerce group dedicated to business promotion, set up a three day merchandising event.

The promotion is planned to encourage the use of Skyline Drive into Broadway, and thus into easy reach of every Lemon Grove business firm. Reduced prices will be the order of the day. (See advertising this issue for special offers.)

Free Bus Rides Friday

A chartered bus will ply its way between Lomita Village and Lemon Grove on a half hour's schedule all day Friday, the Booster's Club announced today.

The bus will start its run at 10 a.m. and continue until 6 p.m. and all riders will be carried free.

The bus will follow a course starting at Jamacha Road and Skyline Drive, south through Lomita Village along Skyline where it angles off toward Paradise Valley, then north on Spreckels to San Felipe, back to Skyline.

Free Square Dance Set For LG

Lemon Grove Boosters Club said this week that plans were under way for a free gigantic community square dance Friday evening July 12, from 8 to 10:30 in Mayfair parking area.

The group said that a ten piece square dance band had been hired to supply the music and that every square dance club in the area would be honored guests.

A long list of prizes will be drawn for at the dance. Little Leaguers will operate several soft drink stands and receive profits from sales of drinks.

Dancing and drawing events are altogether free.

District School Board Puts Axe To Espe

An implication of "collusion" was voiced Monday by school trustee Bert Cosby when the balance of the Lemon Grove school board, short handed since the resignation of Channing Mason, declined to give reasons for refusing to re-employ Mrs. Anne Espe.

Mrs. Espe is one of four of the school's personnel asked by the board to explain pre-election activity in a campaign which saw Bert Betts voted from the board.

Three other members, trustees Armstrong and Brown, and chairman Betts refused to second a motion made by Cosby to pick up Mrs. Espe's contract. They also refused to comment on their reasons for refusal to trustee Cosby; to Mrs. Espe, and to a delegation of citizens who were at the meeting in Mrs. Espe's behalf. Each had asked "why?" Mrs. Espe's contract was the only one of non-classified employes whose contract was not renewed.

Cosby stated that he knew of no reason why Mrs. Espe's contract should not be renewed and added that the other members should reveal their reasons or be suspected of "collusion" and that if there was collusion he would file a complaint with the county school superintendent.

Board members said they were not required by law to give reasons for non re-hiring.

The board then turned its attention to salary and budget considerations.

New contracts, for a year's duration and approximately 6% higher than before were tendered to top administrative personnel.

Byron Netzley, school superintendent will receive $13,000. Assistant superintendent S. K. Solleder's salary was approved at $11,400 and Paul Reynolds, business manager will receive $9,000.

Principals were recipients of a new, higher salary schedule. This schedule, presented by Ben Schei,

High School Taxes Up 18c

An increase of 18c per hundred dollars assessed valuation in tax rate from $1.03 to $1.21 is anticipated in the Grossmont High School District as a result of a tentative budget for 1957-1958 approved by the governing board Monday night.

The general fund budget set for final hearing and adoption in August is set at $4,341,235.

Part of the increase may be offset by new legislation.

Included in the budget are increases totaling $205,000 for employes. Grossmont Adult School teachers hourly rate was increased to $4.70 an hour from $4.40. Administrative salaries were raised a flat $1,000 each. Classified salary schedules were increased 5%. Teachers' salaries were increased $400-$650. Wage range is $4,200 to $7,400.

HID BOARD SITS ON EQUALIZATION

Members of the Helix Irrigation District Board will commence Monday to sit as an equalization board, reported Harry Griffen, vice chairman this week.

Board will meet for equalization for one day only unless business requires additional time, in which event the board will continue until all protests are heard.

It is the only time in the year when protests may be heard.

Drink Party Complaint Nets Teen-Age Girls

Two fifteen-year-old Spring Valley girls were sent to Juvenile Hall Saturday following an alleged drinking party near 2625 Bancroft Drive in Spring Valley.

One adult, Ralph William Knudsen, 22, of 4235 48th Street, San Diego was booked at county jail on suspicion of contributing to the delinquency of a minor, Sheriff's Deputy Bob Ryan said Wednesday. Knudsen was released after he posted $500 bail. Another adult is still being sought for questioning in the affair.

Ryan said that he answered a complaint at the Bancroft address and found one of the two fifteen-year-old girls "passed out" on a sofa. The other had wandered from the party and had fallen into a ditch along Bancroft. Officers were summoned after residents in the area heard the girl crying in the ditch.

The alleged drinking party was being held at the residence of Rex Stewart, 18, whom officers said was not in the house at the time of their arrival. Officers reported that his mother was visiting in Los Angeles at the time of the party.

SATURATION!

The Lemon Grove REVIEW is being delivered today to all residents of the Lomita Village, Monterey Heights area to mark the opening of the new, quicker route from their home to the Lemon Grove shopping area.

If any resident in this area did not receive a newspaper, one will be delivered (as long as the supply lasts) if a call is made to HO 9-0101.

Local and county dignitaries will snip a ribbon on Kempf Street Saturday to uncork the traffic plug which had forced round-about travel from Lomita Village and Monterey Heights to downtown Lemon Grove.

The ceremony will be held to mark the opening of a thoroughfare connecting the southern reaches of the community to Broadway via Skyline Drive.

Prior to the completion of the connecting link between the end of Skyline and the end of Kempf, traffic was forced to a right angle turn at Palm Street then to follow a circuitous route to Lemon Grove's shopping center.

Alternate was via Skyline-Alton-Cypress with two "ess" and two "ell" turns. Beginning this week residents of the south area will enjoy the mile wide, long, sweeping road which joins the two areas. It is exactly one mile from Alton to Broadway.

Civic leaders have battled four years for the connecting link. The Cypress alternate was improved first. The lower end (near Imperial) was widened three years ago. Insistance of area residents induced the county road department to ask that Skyline extension be budgeted. Last year the road was extended from Alton to Palm. This year the balance was budgeted. Meanwhile, a subdivision through which the road sweeps was delayed long enough for County Planning to schedule the road through it.

This week, four years of effort and interest will pay dividends in easier travel within the community.

J. Engelstad Is New JC Head

Election of officers for the Lemon Grove Junior Chamber of Commerce was held at Michael's earlier this month. Newly elected officials for 1957-58 are: John Englestad, president; Vernal Wilkinson, first vice president; Bob Bottini, second vice president; George Sempel, treasurer; Carl Herder, secrtary; Abe Mukai, state director; and Charles Spencer, Ronald Grabanski, James Boyd, directors.

These young men will lead activities of the Lemon Grove Junior Chamber of Commerce for the coming year. Projects now underway include the Lemon Grove Rodeo and Parade on July 13th and 14th, painting of the parking strips in the shopping areas downtown, and a new bicycle safety project.

George Sempel and Vernal Wilkinson, parade chairman for the Lemon Grove Jaycees said this week that more than 125 entries had been registered for the July 13-14 event so far. This they said would equal 10 divisions and form a parade lasting at least one hour.

The parade route will be east from Massachusetts on Broadway to Imperial then down Imperial to the St. John of the Cross Rodeo grounds.

Meanwhile, the Boosters Club said that programs to be distributed during the parade and at the rodeo would have numbers in them. Holder of lucky numbers will receive an electric chrome barbecue. One will be given each day of the event.

Chamber OKs Bid On Town Sign

The Chamber of Commerce last week voted to re-activate the C. of C. Development Committee and appoint a new chairman. The Committee had been set up to study the need for an economic survey of the community. 30 days limitation was placed on a report on this action.

A bid on wiring a directional sign on the freeway west of Lemon Grove was approved and this sign will be lit within the next ten days.

Burough System Gets Committee's 'OK'

By H. A. THOMAS

Does the San Diego area need a new form of government? Definately "Yes," according to the Committee on Metropolitan Government, with Miles Nagel, former mayor of La Mesa, as chairman: The group, with 20 members present, met in the Dinner Bell Cafe, Lemon Grove, Friday for its third meeting since being formed about two months ago.

This committee is the largest standing committee of the San Diego Industrial Development Council. Its purpose is to conduct a feasibility study so that valid and valuable recommendations for a change in area government can be presented to the public. The group hence, is primarily a study group, the work being di-

Beavers Lead In L.L. Play

Lemon Grove Little League majors and minors, are "workin."

Incidentally, we learned that the players in the minors feel that more parents and others interested in the kids should attend the games and encourage the youngsters. It happens that both majors and minors play on the same nights, and the majors get the most spectators.

The younger players have the feeling that folks would give them a look if they realized the encouragement attendance at a game gives the kids.

We are just passing along this hint. A little encouragement to a youngster goes a long way in keeping up his morale.

Minor league games are played at Junior High grounds.

Minor league standings as of June 18:

	Won	Lost
Beavers	12	2
Stars	10	4

THINGS DOIN' & BREWIN'

About Civic Center

By DICK HENDERSON

Routine matters occupied the attention of the Board of Supervisors at Tuesday's meet.

Main attention seemed centered on the final budget, which was scheduled for the afternoon. We will learn later just what changes were made, if any, in the preliminary budget, which allowed for plenty of tax money.

The hottest day, 97 at Lindbergh Field Station, may have had something to do with the lethargy of this and other reporters. Temperature figures from the back country indicate that a Santa Ana was gettin' in its dirty work, happily without the death toll of chickens that last year's heat wave recorded.

Chicken fanciers have been advised that "foggers" installed in houses where the hens do their duty are helpful in keeping down temperatures and save fowl and money. No fatalities have been reported among fowl, and 4-H Club members with chicken projects report having sprinkled their hens at intervals during the days, with consequent relief to the fowl. These "foggers" make a fine mist that keeps the thermometer down, cost a dollar or so each. A spraying with a hose gives temporary relief to the layers and young chickens alike.

The paragraph above is away off from the Supervisors, but we had to work it in. Y'all know that it was a record breaker for heat last week. Slowed me down, too. Lemon Grove had a nice breeze in the afternoons of the three days, as usual. We won't mention El Cajon's temperature on those three days.

Now to the Supervisor's doin's:

TAXPAYERS' ASSOCIATION ASKS REDUCED SPENDING

Eight groups voiced opinions on the County's tentative budget of $54,855,650 at a hearing June 18, which is being continued this week.

John Leppert, Manager of S.D. Taxpayers' Association, asked that no additions be made to the preliminary budget except those mandatory because of state legislation.

Although county officials would not estimate the cost of state legislation on welfare matters, Leppert claimed that such legislation would increase the county budget $3,000,000 and lift the county tax rate—(estimated $1.99.)

Leppert also asked that allocations for new county hospital plans be slashed to $250,000 from $756,000 and that camping fees be raised to make the City-County Camp Commission self supporting.

Leppert said the Association does not favor hiring four new employes for the Planning Department. He also requested stricter regulations on the use of county cars. Sales tax revenues from unincorporated areas should be used for general county expenses, not for specific areas, he claimed.

(It should be explained that the "Taxpayers' Association" is composed largely of "City men", as they say in dear old London. They have their dough invested in City investments.—D.H.)

Another recomendation from the Taxpayers' Association rep. was for restricting contributions to cultural institutions to the current level, which would mean eliminating a $12,500 appropriation for sports museum and increased allocations to current recipients by $20,000.

Looks like there would be an interesting continued meeting, hey? —D.H.

Mt. Miguel Band Parents In Final Meet

Mt. Miguel Music Parents held a special meeting recently. At that time, Mrs. W. Grant was named historian for the organization; and it was also announced that Mrs. Lehton will be chairman of the committee to distribute the uniforms, when school opens in September.

At the meeting Dr. Calvin Nicholl, the president of the L. G. Lions presented the membreship with a check, to be used toward the purchase of new uniforms.

M. M. Music Parents would like to take this opportunity to thank everyone connected with the calendar sales—the students, and members, who worked so hard on this project, and particularly, the people of the community who purchased the calendars, listings, and advertising thereon. The M. M. calendars will be delivered before school starts in the fall.

M. M. Music Students have been invited to participate in a week at Cuyamaca, from August 24 to Sept. 1, at a music camp, under the auspices of the El Cajon Music Parents. The cost is nominal, to cover the cost of meals only, and interested students are urged to contact Mr. Benton Miner, at HI 4-7678, prior to July first.

On August 26 the M. M. Band students will meet at the new High School at 10 a.m. for marching practice. And a special "get acquainted" meeting, for students and parents, will be held September 5 at M. M. High School at 7:30 p.m.

CARD OF THANKS

We take this opportunity to express our heartfelt thanks and gratitude to all our friends and neighbors in Spring Valley, and elsewhere for their help and assistance during the illness and passing of my dear wife, Mary Belle Houk. How she appreciated all the help given her via cards and letters when she was able to read them.

I appreciate so much the prayers and sympathy extended to us after her passing. We are grateful for all the gifts and help in our hour of sorrow. God bless you all.

MRS. McPHERSON

The marriage of Miss Olivette B. Brue and Donald F. McPherson was held June 22 at St. Joseph's Cathedral, San Diego. The bride is the daughter of Mr. and Mrs. Ollie G. Brue of New York City, and the groom, the son of Mrs. Charles Copeland of Spring Valley.

Miss Brue was given in marriage by Mr. Al Coonradt.

The bride's gown was of white lace and tulle over white satin, with a finger tip veil. She carried a white orchid, surrounded by shattered carnations.

Maid of honor was Mrs. Wallace McPherson, sister-in-law of the groom. She was dressed in a pale green gown of crystalene silk. The bride's maids were Mrs. Chester Bushnell, Miss Shirley Lawrence, and Miss Rita Brue, all dressed in pink crystalene and carrying pink carnations.

Best man was Wallace McPherson, brother of the groom. Ushers were Mr. Andy Doyle and Mr. Bob Slodek, uncles of the groom and Mr. Ted Skurbsky and Mr. Jim Demetre.

The reception was held in the Garden Room of the Lafayette Hotel with some 200 guests attending.

The bride was educated in New York and attended the New York School of Music. The groom, a graduate of Grossmont High School, spent four years in the Navy, and is now associated with his step-father in the radio and television business.

After honeymooning in San Francisco, the young couple will live at 2853 Hawthorne, San Diego.

The bride's young sister, Rita, flew here from New York to take part in the ceremony.

Rainbow Girls Set Busy Summer Schedule

The Rainbow Girls of the Lemon Grove Assembly, under the leadership of their new Worthy Advisor, Miss Lois Davy, have planned a summer of fun, as well as service and money-making projects.

First and foremost, the girls will be selling tickets to a "Swiss Steak Dinner" they will give on Tuesday, July 16, at La Mesa Masonic Temple, serving from 5:30 to 6:45 p.m. Donations—$1.25 for adults, 50c for children.

A Beach Party Tuesday, June 27, will start a round of beach parties planned for Thursday, through the end of July, friends and dates to be invited. There will be skating parties on the second and fourth Tuesdays of every month, a family picnic on July 7, and other activities, such as pizza parties and pajama parties.

'QUICKSTEPPER' IS HUSBAND OF FORMER GROVE GIRL

SAN DIEGO, Calif. (Special) —Jack D. Turner, pipefitter chief, USN, husband of the former Miss Betty L. Beach of 2872 ½ Mass., Lemon Grove, Calif., aboard the dock landing ship USS Thomaston, took part in "Operation Quickstepper" earlier this month off the coast of Southern California.

The operation was a reconnaissance in force against "agressor" units who had supposedly overrun large sections of the Southwestern United States.

During a pre-dawn landing the First Marine Regiment from Camp Pendleton was landed by surface ships, submarine and an helicopter aircraft carrier.

Twenty-six ships of the Pacific Fleet Amphibious Force and 10,000 men took part in the full-scale amphibious asault.

Gals To Be Replaced By Automation on CC Elevators

By DICK. HENDERSON

Otis Elevator Company's bid of $114,940 to improve elevator service at Civic Center with two automatic elevators and renovate the "public carriers" that have been giving good service for 16 years was lower than the engineer's estimate of $125,000 and got the nod from Supervisors at last Tuesday's gathering.

Looks like we'll have to talk to ourselves on the way up or down, with no cheery young ladies to inquire "floor please?" and "how are you feeling, Dick?"

Some of the lissome clerks in the School's Super's office have been using the stairs to "reduce," rather than wait for the present facilities to come and get 'em. The traffic has been increasing so greatly that the 16 year-olds were overworked—the elevators couldn't keep up and get the gals to their desks on time, particularly at 8 a.m.

The Otis people included alternate sugestions in its bid which would cut down the cost by $31,970 and $1,839 if accepted.

Three other projects were bid on, in addition.

Low bidder on building a kitchen-dining hall for the City-County Camp Commission's Palomar Mountain Camp was Forest M. Holly, with a bid of $93,990. The engineer's estimate for the same job was $65,646.

California Viking Sprinkler Co. quoted $30,000 for installing fire sprinklers and other alterations at the three buildings at Vauclain Home, (County Hospital). It was the lowest of the three bids for the job.

I remember that the original bequest by the late Mr. Vauclain was $25,000, and there was considerable hesitancy about what to do with the money. This was many years ago, and was a memorial gift by Mr. Vauclain in memory of his son, who was a victim of T.B. Mr. Vauclain, Sr., was a fine old gentleman, lived in the largest residence at northeast corner of Second and Cedar, always had a cheery greeting for the newspaper carriers. This reporter carried the SUN to him for about two years, collected 10c a week, never had to make a second trip for the dime. His gift to the people was a much-discussed event when announced.

Low bid for extending a mezzanine at the Superintendent of Schools (County, on second floor), was that of Rugger and Anderson, for $18,356, on a project estimated to cost $15,460. Earlier bids had been rejected because of the high cost.

Here's Your Invitation

To Better Shopping

Boosters Club
OF LEMON GROVE

Dear Neighbors:

We are as pleased as you are that Skyline Drive has finally been extended to Broadway. Most of us have been working toward the completion of this task for many months. Until it was finished it worked an additional hardship on shoppers who had to reach our fine shops by a round-about route.

Shopping is fun when there is a variety of shops, when prices are competetive, when shop owners and clerks are helpful and friendly, and where there is plenty of free parking.

We've had all these things right along, and now you can enjoy them easier by driving just one mile over a straight-through street, to Broadway.

Most every business firm in Lemon Grove is a member of the Boosters Club and all of us invite you to see how pleasant shopping can be in our friendly community.

Lemon Grove Boosters want your business. This letter is an invitation to let us show you what a fine shopping center you have in your own front yard.

Sincerely,

Ted Skelley
Chairman,
Lemon Grove Boosters Club

Neighbors Along Campo Road

By Laura Bohm

End of chapter one, "Grammar School Graduation" for seven of the local youths was beautifully presented at the Dulzura School House, Wednesday evening, June 12. The leading roles were played by dark eyed, vivacious, Linda Board, her girlish charms caught and crystallized by a yellow party frock; tall and graceful Sharon Simmons, cool and lovely in blue; Robert Erickson, shy, with his quiet smile; Jimmy Kelley, well mannered & serious; the Murphy Twins, Pete and Pat, appealingly debonair; Jerry Ortega, the handsome Spanish lad, and Dick Snow, sturdy and reliable.

The Reverend Ayres, from the First Christian Church of El Cajon, speaker, held up Saint Paul as an excellent example to follow in achieving goals. Charlie Small, president of the D.C.D.C., presented the grauates with their diplomas. William Thompson, principal, delivered the closing address. Seventh grader, Leonard Aird, with his clear, pleasing voice, achieved a high scoring as master of ceremonies. Mrs. Betty Thompson with the aid of helping mothers turned the school house into a delightful summer garden, rich in bloom. She wishes to thank the many Dulzurians who so generously gave of their flowers.

Directing the program was Mrs. Mason Board, with Mrs. Turner Page in charge of refreshments, Mrs. Lillian Camp, noted for her flower arrangements, fashioned corages for the girl graduates and their mothers, and boutonniers for the boys.

At the June meeting of the Dulzura Citizens Development Committee, the yearly election of officers was held. Charlie Small was reelected as president; Fred Luxton, reelected as first vice-president, in charge of buildings; second vice-president fell to Charlotte Holcomb, in charge of entertainment; third vice-president, finance, W. C. Mrs. Ora Gregory, in charge of refreshments. Secretary-treasurer, Mrs. Colleen Aird, reelected.

The five trustees elected were: Arnold Husnberger, Chuck Roberts, Harvey Thing, Mrs. Katheryn Lindsay, and Laura Bohm.

The motion was passed to hold a "bake sale" and Patio Social Saturday June 22, at the home of the Turner Pages. Money brought in from the sale will be used toward finishing the Community Building.

Did You Know . . . The three Dulzura High School graduates for 1957 are Elaine Keenan, Bobby Hambright from El Cajon Valley High; and Gilbert Kelley, who tripped up to Fullerton to receive his diploma . . . Bob plans to enter San Diego State College this fall, while Gilbert is exchanging school days for work days . . . —Jean McCloskey graduated from State College last week, and will be teaching in San Diego this Fall . . . Justine McCloskey is home for the summer from Cal-Poly . . . Mrs. Zema Reed, from Phoenix, Arizona, is visiting son and wife, the Benton Reeds . . . And the pre-school days social event of the month was Ralphena Rickly's third birthday party. Eleven guests and a ball . . . The as-yet-unfinished Dulzura Community Building performed its first public service, housing the voters for the special election, June 11.

STREET CONDITION RAISES FIRECHIEF'S IRE

Fire Chief Don Clark of the Spring Valley Fire Department, last week said that he urges all residents of the Spring Valley Fire Protection District to complain to the county about the deplorable condition of several streets left by sewer contractors.

"The streets are barriers to our fire trucks answering calls to fires in the area," he said. He said in many cases the trucks must detour and that means a delay of several minutes. In case of a structural fire it could mean the loss of hundreds of dollars to the property owner.

The Chief said that he had been in contact with county officials but to date (last Friday) nothing had been done.

GRASS FIRES

Due to the miserable Santa Ana winds that have been sweeping across the land, grass and brush in the area continue to get drier and drier. Several of these fires flared up this past week, as well as one false alarm coming in to the SV Fire Station.

June 14, at 2 p.m., grass fire at 3817 Bancroft Drive;

June 15, false alarm;

June 17, at 4:53 p.m., grass fire at 10010 San Juan;

June 18, at 11:48 p.m., the Spring Valley Fire Department assisted the Bonita Fire Department (mutually) on a 200 acre fire east of Proctor Valley. Several other departments were also there; Lincoln Acres, Lemon Grove and the State Division of Forestry.

Also on Tuesday, at 3:35 p.m., grass fire at Montemar and Ivy Lane.

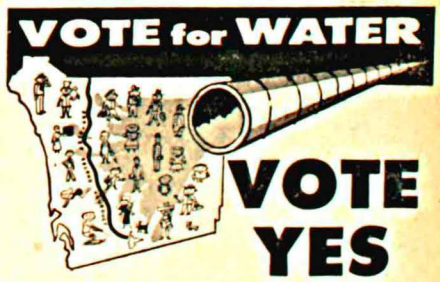
VOTE for WATER



VOTE YES

The Metropolitan Water District will construct 43 miles at its cost of more than $20 million, bringing the aqueduct 5.9 miles into San Diego County provided we will do the rest. Our part of the job is approval of a $25 million bond issue to construct the 61.1 mile southerly portion of this vital aqueduct.

Citizens Aqueduct Water Committee: Chairman — James Archer, Vice Chairman — Ray Grable, Treasurer — Arthur H. Marston

SAN DIEGO COUNTY AQUEDUCT ELECTION

TUESDAY, JULY 9

Grovan At Birth Of New Church

CLEVELAND, OHIO, (Spcl.)—A new church was born here this week in one of the most significant developments in American Protestantism since the Reformation.

In the Music Hall of Cleveland's Municipal Auditorium 357 delegates from the Evangelical and Reformed Church joined with an equal number from the General Council of the Congregational Christian Church for a Uniting General Synod to create the new United Church of Christ.

A local minister participating in the history-making event is the Rev. Dan Apra, of the Lemon Grove Congregational Church, representing the Congregational Christian Churches.

WATER ISSUE IN JULY 9 ELECTION

Voters in San Diego County areas supplied by Colorado River water, will go to the polls Tuesday July 9, to vote on a $32 million bond issue. The areas include the Helix Irrigation District. Purpose of the bond issue is to construct a second aqueduct which will more than double the amount of water now being delivered to San Diego County, which is approximately 140,000 acre feet. The new aqueduct will bring an additional 180,000 acre feet per year, which, it is said, can take care of all San Diego County needs for the next ten years, even with its rapid growth.

Absentee voter ballots are now available at the San Diego County Water Authority office at 2750 Fourth Avenue, San Diego. Dorothy Miller has charge of the ballots. Last day for obtaining the ballots is July 3.

COURTHOUSE COST UP $2 MILLION IN 3 YEARS

The "almost austere" new courthouse and jail "facility" will cost $2 million more than was figured on when bonds were voted, $8,400,000, November 2, 1954.

The estimate of $10,882,000 was presented last week to the Supervisors who said good old "General Fund" can supply $1,309,230 toward the project.

T. M. Heggland, chief administrative officer, said problems of cutting costs would delay completion of final plans.

The courthouse jail will occupy the two-block site bounded by Broadway, B, Union and Front Streets.

The north block will contain a seven-story jail, sheriff's office, municipal and superior courts and telephone facilities.

The seven-story building on the south block (Broadway side) will contain the county clerk's office, municipal and superior courts, veterans services, county recorder, marshal, clerk, probation and juvenile departments, district attorney's criminal division and grand jury room.

In the Encinitas Transcript, issue dated September 17, 1892, we find, in the editorial column:

"Dollars by tens of thousands for a new county jail—an unwise expenditure of the people's money, and county roads in miserable condition for lack of a few hundred dollars invested, which would be a wise expenditure!

"Three of the supervisors — Buck, Wolman and Judson—have decided that the people of San Diego County shall pay $40,0000 for a new jail, a long taxpayers union protest to the contrary notwithstanding.

Rainbow (Fallbrook district), voted "No." It may be that $30,000 worth of new jailroom is urgently needed in these financially flush times - or will be when the taxpayers' union shall have finished the work of investigation, but there would have been no impropriety in submitting the question to a vote of the qualified electors." End of quote.

Remember this agitation about $40,000 was debated 65 years ago. Ten million bucks, 65 years later, didn't raise a ripple. —D.H.

VETS LADIES HOLD BAKE SALE

The Ladies Auxiliary of Post 2082, Lemon Grove Veterans of Foreign Wars, will hold a bake sale Saturday. The sale will take place between Marsi's and the U. S. National Bank.

FRANK WEAVER DIES AT 55

Frank Weaver, 55, who recently resigned as secretary-manager of the La Mesa Chamber of Commerce died Tuesday night at Grossmont Hospital.

OWNER GETS FINED

Baltimore, Md. — The owner of an Arlington avenue apartment house, Nathan Harris, was fined $100 and costs on a charge of "causing a gas installation to be made in such a way as to create a hazard to life." Two tenants in the apartment house died from taking gas.

NEW MAN ADDED TO L.G. FIRE DEP'T

Robrt N. Adams, 1790 Dupont Street, has been added to the paid list of employes of the Lemon Grove Fire Department. His employment was approved at the June meeting of the Board of Fire Commissioners.

At the same time the following promotions were announced: Mark D. Foote and Edward Bolieu were advanced from fireman first class to engineer.

The promotions were announced by Chief Harold Hensley.

Grovans Guests At Cafe Opening

Approximately 250 community leaders, including a fistful from Lemon Grove, were guests at the opening of Dobbs Restaurant, near Food Basket Market at the La Mesa Blvd.-El Cajon Blvd. intersection.

The chain is a statewide organization owned by Harold Dobbs and Joe Edinger.
